- Please collect them on Saturday 28th October if you can, to reduce the number of runners congregating at registration on the morning of the race.
- **Race T shirts** (if you have ordered one!) must be collected from registration when you pick up your number.
- Once you have collected your number, please fill in your emergency contact information on the reverse.
- Plan your journey in advance and allow plenty of time to park and pick up your race number.
- Please don't risk running if you feel unwell on race day.
- Toilets will be provided at registration, there are also public toilets available in Redditch bus station and the Kingfisher centre.

Parking

- There are a number of public car parks in Redditch town centre – please visit <https://www.redditchbc.gov.uk/my-place/parking.aspx> for more information.
- Plan your journey in advance and allow plenty of time to park and pick up your race number.
- Please travel by public transport or on foot if you can to reduce pressure around the closed roads during the event.

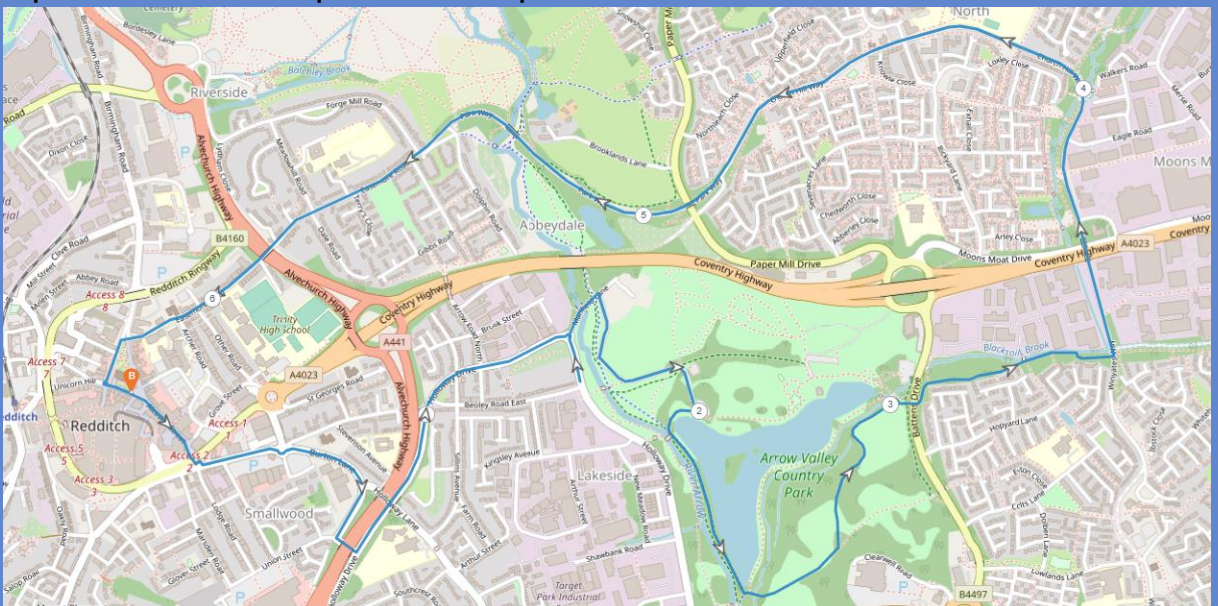

During the race

- First aid will be available during the race – if you require medical assistance, or see someone who does, please inform your nearest marshal.
- Always listen to the instructions of the marshals.
- **Please don't throw litter on the ground along the course – please use the bins provided, or hand your litter to a marshal!**
- UKA regulations state that only bone conduction headphones are allowed during the race – this allows you to hear the instructions of marshals and be aware of your surroundings

The Route

- The route is a single 10km lap. It will be clearly marked with kilometre signs, and marshals at all junctions.
- There will be a rolling road closure, with roads being closed ahead of the race and reopened once runners have passed.
- Approximately 3km of the route passes through Arrow Valley Country Park – please be considerate and courteous towards pedestrians who may be walking on the footpaths.
- There will be a drink station near the half way point on the course as you exit Arrow Valley Mill Country Park.
- After 8km, on Easemore Road, we will need to reopen the road by at 10.30am. Any runners still on the course will need to move onto the pavement at this point to complete the route.

At the Finish

- The finish is located on Market Place, back where you started!
- As you finish, you will collect your bespoke medal, as well as refreshments courtesy of Subway Moons Moat & Washford.
- Race T shirts can be collected from registration when you pick up your number!
